The screenshot shows the homepage of Miyagi Children's Hospital. At the top, there are navigation options for text size (standard, large), background color (white, black, blue), a search bar with the text 'キーワードを入力', and a language selector for 'English'. The main header features the hospital's logo and name in both English ('MIYAGI CHILDREN'S HOSPITAL') and Japanese ('宮城県立こども病院'). Below the header is a horizontal menu with icons and labels for: ホーム (Home), 外来のご案内 (Outpatient Services), 入院・入所のご案内 (Inpatient/Residential Services), 患者さん・ご家族へ (For Patients/Families), 診療科・部門紹介 (Departments/Services), 交通のご案内 (Transportation Services), and フロアマップ (Floor Map). A large central image shows the hospital building with the text 'こども病院の地域医療連携' (Regional Medical Cooperation of Children's Hospital). To the left of this image is a sidebar with '診療時間' (Clinic Hours) from 9:00 to 16:30, '休診日' (Closed Days) including weekends and holidays, and buttons for '予約確認・変更' (Check/Change Appointment), 'ご相談・ご質問' (Consultation/Question), 'ご寄付のお願い' (Request for Donation), and '宮城県立拓桃園' (Miyagi Prefectural Takumotomizono). A yellow banner at the bottom left says '重要なお知らせ' (Important Notice) regarding COVID-19. At the very bottom, there are three numbered buttons: '01 当院について' (About Us), '02 医療機関の方へ' (For Medical Institutions), and '03 採用情報' (Recruitment Information). On the right side of the screenshot, there is a vertical social media navigation bar with icons for email, phone, car, and Instagram.
